 <p>Fishermen collect plastic they catch during fishing</p>	 <p>PET bottles are selected to recycle</p>	 <p>The PET bottles are being converted into small PET chips</p>
 <p>PET chips are turned into new RPET SEAQUAL® YARN</p>	 <p>At the weaving phase the RPET is mixed with recycled cotton</p>	 <p>We do not dye the fabric to save water and energy completing an eco friendly process</p>
